## WHAT IS A TTB?

Our Traveling Terrarium Bar (TTB) brings the Jade and Clover experience to your event! We handle everything—setup, guiding guests in creating their own terrariums, and clean-up.

Guests can create sand art or soil terrariums, plant succulents or cacti, decorate, and take home their custom creation in a box. It's a fun, aesthetic experience and a personalized gift!

## FAQ

### **Can you bring extra terrariums in case more people want to build?**

A: Yes, if you are unsure of an exact number of guests that will participate, we will bring extra terrariums. After your event, we will only charge you for the extra terrariums that were used.

### **How long does set up take?**

A: It takes about 30 to 45 minutes to set up our Terrarium Bar, and about 20 minutes to take it down.

### **Is there a time limit?**

A: We will provide the Terrarium Bar for 2 hours not including set up and take down. If you would like us to stay longer please ask your TTB representative!

### **Can guests who are getting on a plane participate?**

A: Yes! We will box up all terrariums for guests to take home in. If you have guests traveling by plane, specify this to your representative and we will bring bubble wrap and packaging tape to secure each box.
